

Dual Admission Agreement

Harrisburg Area Community College

And

Lebanon Valley College

Lebanon Valley College (LVC) and Harrisburg Area Community College (HACC) agree to enter into a Dual Admission Agreement that will provide HACC students with articulated curricula and policies that lead to a bachelor's degree at LVC. HACC graduates can pursue their bachelor's degree in eligible LVC programs through seamless enrollment from an associate degree program at HACC through upper-division coursework at LVC.

Students may apply for admission under the Dual Admission Agreement as early as their senior year of high school but no later than the completion of 30 college-level credits in a transfer program offered through HACC. Dual Admission students while enrolled at HACC have access to academic advising, along with the use of library resources and some other on-campus facilities and events at LVC. The LVC Office of Admissions will provide students with regular updates concerning on-campus events and other academic programs.

HACC students accepted under the Dual Admission Agreement will also qualify to enroll in courses at LVC that are not offered at HACC but are required for completion of the LVC bachelor's degree. Tuition for up to two of these courses taken prior to transfer to LVC will be charged at the LVC Community College Partner Discount Rate.

Obligations of Lebanon Valley College

1. Students apply for Dual Admission by completing the HACC - LVC Application for Dual Admission form found on the Lebanon Valley College admission website (www.lvc.edu/dual-admission). HACC will provide LVC with the information necessary to build a record for the student, preferably through the electronic transfer of information.
2. Lebanon Valley College will waive the application fee.
3. LVC agrees to schedule one advising day each semester at HACC prior to registration. The LVC Office of Admissions' Transfer Coordinator will provide

advising when necessary.

4. LVC will send a scheduling packet (date/time to schedule classes) to the student the semester prior to matriculation to LVC. Students will receive an official admissions letter from LVC during the last semester at HACC. Upon receipt of the final HACC transcript, LVC will complete a final official transcript evaluation. This will be completed prior to matriculation to LVC.
5. LVC will award academic scholarships to all qualified HACC graduates that have maintained a minimum 2.50 GPA.

Obligations of Harrisburg Area Community College

1. Make special arrangements for Lebanon Valley College recruiters and advisors to visit HACC and meet with prospective and current Dual Admission Students.
2. Provide contact information regarding recent Associate degree graduates.

Joint Obligations:

1. Each institution will designate a representative or representatives who will coordinate the Dual Admissions and Transfer Agreements between the two institutions. These representatives will exchange data and documents annually that will contribute to the maintenance and improvement of this Agreement, enhance the transfer process and promote effective cooperation between institutions.
2. At the conclusion of each semester, during the student's associate degree studies, HACC will send LVC a copy of the student's transcript, upon request to the HACC Records office. These transcripts will be evaluated for the purposes of advising the student on course selection for their next semester during the LVC Advising Day at HACC. This is in addition to the student working with his/her HACC faculty and/or professional advisor.
3. Students may change their HACC or LVC major at any time; however, they will be required to meet the entrance requirements for the new major at the time of change. While enrolled as a Dual Admission student with LVC, students must notify HACC and/or LVC of any change of major to ensure they meet any/all pre-requisites for the new program.
4. Students will be provided with financial aid information for both institutions. They will receive full consideration for LVC financial aid upon matriculation to LVC. Students may also apply for College housing upon matriculation to LVC. HACC students are not eligible for housing until matriculation to LVC.

6. HACC and LVC jointly agree to develop and implement advertising and promotional efforts to communicate the benefits of the Dual Admission program

including links on websites.

7. HACC and LVC authorize this agreement to become effective with the start of the Fall 2025 semester.
